**Alternative Funding – Sustainable Schools. Stay Out of the Red by Operating in the Green- EVENING SESSION FOR SCHOOL BOARD MEMBERS**

6:00- 9:00 PM – Dinner provided

Burlington County College

Permberton, NJ

Dinner 6:00, Workshop Session 6:45 – 9:00 PM

This workshop will provide an overview of sustainability and why it's so important for the leadership of any school to understand how strategic actions can result in a high performing school that will save money and benefit the entire community. One focus of this workshop will be on how to utilize Leadership in Energy and Environmental Design (LEED), Green Ribbon Schools, Sustainable Jersey for Schools and other successful programs as a framework for planning, implementing and monitoring financial, environmental and academic connections for sustainability. A tour will be available for BCC's state of the art sustainability labs at the Center for Sustainability and Alternative Energy.
